Amresh Shravan Gupta

MBA Operations & Supply Chain Management | Procurement · Inventory Control · Cost Optimisation

Dubai, UAE | guptaamresh151@gmail.com | linkedin.com/in/guptaamresh | amreshgupta.com

Professional Summary

Operations and supply chain professional and MBA candidate in Operations & Supply Chain Management (Middlesex University Dubai) with **2.5+ years** in high-volume hotel operations at **Trident Hotels (The Oberoi Group)**. Experienced in procurement and supplier coordination, FIFO inventory control, incoming-goods inspection and HACCP compliance, with waste-reduction measures that cut costs by **an estimated 10–15%**. CIPS Affiliate trained in SAP S/4HANA Sourcing & Procurement, Power BI and Excel, applying demand forecasting and data analysis to run efficient, low-waste operations.

Core Competencies

- Procurement & Sourcing
- Inventory Control & FIFO
- Demand Forecasting
- Data Analysis (Excel, Power BI)
- Cross-functional Coordination
- Supplier Coordination
- Incoming Goods Inspection
- Capacity Planning
- SAP S/4HANA Procurement
- Sustainable Supply Chains
- Purchase Requisitions
- Cost & Waste Control
- HACCP & Quality Compliance
- High-Volume Operations
- Process & Production Efficiency

Education

MBA, Operations & Supply Chain Management — Apr-2026 – Apr-2027 (Expected)

Middlesex University Dubai | Dubai, UAE

- Relevant modules: Global Operations Management, Strategy & Innovation, Financial & Economic Analysis

BSc, Hospitality & Hotel Administration — Oct-2020 – May-2023

Institute of Hotel Management (IHM) Bhubaneswar | Bhubaneswar, India | Grade: A

- Built a foundation in hotel operations, food and beverage, food production, cost awareness and service quality
- Represented IHM Bhubaneswar at college programmes and seminars

Professional Experience

F&B Production Operations – Procurement, Inventory & Cost Control — Aug-2023 – Mar-2026

Trident Hotels (EIH Limited – The Oberoi Group) | India

Official job title: Commis – F&B Production

Mumbai: 436-room property, Jun-2024 – Mar-2026 | Agra: 135-room property, Aug-2023 – May-2024

Procurement & Supplier Coordination

- Coordinated purchase requisitions with purchasing and receiving teams to source ingredients and products, keeping in-hand store stock sufficient for efficient production
- Managed **3–4 suppliers** to ensure availability of the ingredients and products required for daily production
- Inspected incoming deliveries for quantity, freshness, quality and packaging, and reported discrepancies to maintain supply standards

Inventory, Cost & Quality Control

- Controlled stock through FIFO rotation and expiry-date checks, minimising spoilage across stored inventory
- Reduced production costs by **an estimated 10–15%** through waste reduction, portion control and waste management
- Maintained HACCP food-safety, hygiene and quality compliance during peak service and banquet operations for high-profile events

High-Volume Operations

- Managed the à la carte Indian cuisine section at the 436-room Mumbai property, serving **400+ guests daily**
- Managed bulk and à la carte production at the 135-room Agra property, designing and preparing buffet menus for production efficiency
- Earned a **Kudos award** for performance

Internships & Industrial Training

Business Analytics, Data Science & AI Intern (Remote) — Jun-2026 – Oct-2026

Corizo Edutech | Remote

- Interpreted business data and evaluated business problems through analytical problem-solving in a business analytics internship (Jun-2026 – Jul-2026)
- Completed further internships in data science, AI and marketing; earned Corizo certificates and a written recommendation from the VP, Human Resources

Industrial Trainee — Jul-2021 – Nov-2021

ITC Grand Chola | Chennai, India

- Rotated through food production, F&B service, housekeeping and guest services in a five-month structured training, gaining cross-departmental exposure to hotel operations

Key Projects

- **Dubai International Airport – Operations Strategy Report (MBA):** Forecast 2026 passenger demand at **94.6M** (MAPE **5.1%**), assessed capacity utilisation and scored seven strategic options, recommending the DWC transition (**7.70/10**)
- **Apple Inc. – Fundamental & Technical Analysis (MBA):** Benchmarked **16** FY2024–25 ratios against Samsung and sector averages, including the inventory-holding period (**12.65 → 9.45 days**); applied beta/CAPM analysis to support a Buy rating
- **Sustainable Leadership Challenge (MBA leadership module):** Designed a group structure built from waste materials, reusing resources that would otherwise be discarded
- **Groww – Strategic Analysis (group project):** Contributed to a group strategic analysis of the fintech platform Groww
- **Industry exposure:** Warehouse and supply-chain site visit at Bidfood Middle East; MDX AI Hackathon workshops

Certifications

- **CIPS Affiliate Member** – The Chartered Institute of Procurement & Supply (valid to Jul-2027)
- **Business Processes in SAP S/4HANA Sourcing & Procurement** (Participation Diploma) – SAP (Jul-2026 – Aug-2026)
- **Get Started Building with Power BI** (Badge) – Microsoft Learn
- **Certified AI-Powered Data Analytics Specialist** – Be10x (Jul-2026)
- Certified AI Office & Productivity Specialist – Be10x (Jun-2026)
- First Aid, CPR & AED – Certified

Skills & Languages

Technical: SAP S/4HANA (Sourcing & Procurement), Microsoft Excel, Power BI, PowerPoint, Data Analysis, Business Analysis, AI Productivity Tools

Soft Skills: Attention to Detail, Analytical Problem Solving, Cross-team Coordination, Written Communication, Working Under Pressure

Languages: English (IELTS Academic, Apr-2024), Hindi (Native), Marathi
